

Upgrade methods: (USB upgrade)

- Download the file here:

[https://www.aston-france.com/updates/MB\\_ASTON\\_DIVA\\_HD\\_20170407\\_V10.CD5](https://www.aston-france.com/updates/MB_ASTON_DIVA_HD_20170407_V10.CD5)

- Put this file into the root directory of an USB key and make sure only it's the only .CD5 file in the USB key.
- Plug the USB Stick with the file on the Set Top Box.
- Reboot the Set Top Box, this will automatically upgrade it. Check that the version news is V10.
